

Closter PTO LUNCH Program - Instructions

IMPORTANT CHANGES for 2011-2012 School Year

- Lunch sessions at both schools will be shortened to accommodate **four sessions** instead of three. Each session will be 8-9 weeks.
- A full serving of a fruit or vegetable has been added to each lunch item to satisfy state guidelines.

LUNCH ORDERS WILL BE TAKEN ONLINE ONLY
FOURTH Session Deadline is
Wednesday, MARCH 28th, 2012

Lunch Policy

All students have 2 weeks after the start of lunch service to make changes to their lunch menu. Any difference in price must be paid by cash or check made payable to the 'Closter PTO'. Refunds will not be given for lesser priced items. To change a menu item, contact the appropriate lunch chair for the day on which you are making the change or contact the Tenakill or Hillside Lunch V.P.

Lunch Vendors

Our lunch vendors are listed below. Please take the time to have your child try any of the items he/she might be interested in ordering. This way there will be no surprises when they select their choices from the menu and will minimize any potential need for changes. Just make sure to call in advance and let the vendors know which items you would like to try because some of the menu items are specialty items for our schools
